# OUR FAMILY TRADITION

Dear Seagoing Explorer,

Welcome back to the World of Variety Cruises; your home away from home. 2018 marks our 50th Anniversary-at-Sea and we could not be more proud or excited. In 1949 my father Diogenis Venetopoulos conceived his first on-land travel immersion experience. It was not until 1968 that he broadened his vision off the shores of Greece and into the far horizon of the deep blue Aegean Sea, and beyond.

As we celebrate our 50th Anniversary-at-Sea we have so much to look forward to, but also so much to look back on with pride, honor, and a sweet nostalgia. Our journey began with my father's dream to share his love for Greece's History & Mythology, which he gained through his insatiable hunger for knowledge. That hunger, combined with our deeply rooted essence of 'Philoxenia', - the heart and soul of Greek Hospitality - became the founding elements of what Variety Cruises prides itself to be today: One of the leading small ship cruise lines worldwide with eleven state-of-the-art SOLAS certified Yachts hosting no more than 72 guests.

Our yachts currently serve specially curated itineraries worldwide, including Greece, the Adriatic Sea, Spain & Portugal, the Canary Islands, Cape Verde, the Seychelles, Costa Rica & Panama, West Africa, Iceland and Cuba. Our partnerships include organizations such as National Geographic, the Grand Prix, and the Olympic Games and our accolades include Conde Nast, CruiseCritic, and last but not least being voted as the #1 Boutique Cruise Line Worldwide in 2016 by the readers of USA TODAY.

As we celebrate our 50 years of sharing Stories-at-Sea with you, we cordially invite you to discover our world by embarking on your own home-away-from-home experience, on board our boutique homes at sea.

Welcome to our family tradition!

**Lakis D. Venetopoulos**  
President of Variety Cruises

# GENERAL INFORMATION

Passengers who have not cruised with Variety Cruises before, will have many questions to ask about the ship, the operation and the cruise program. This section will give you some of the answers to the most frequently asked questions. If you have any queries or need clarification please visit our website, call your travel agent or contact us.

## BEFORE YOU EMBARK

### Embarkation / Disembarkation

Passengers are requested to be on board at cruise program embarkation times shown or 2 hours prior to departure. Disembarkation is after breakfast at approximately 9am.

### Travel Documents

Participants must be in possession of a valid passport (expiring not earlier than one month after cruise ends) and should obtain visas and health certificates where required. All requirements should be confirmed with appropriate government consulate or information office prior to departure.

### Luggage and Clothing

Please travel as lightly as possible so as not to restrict space in your cabin. Soft bags are more practical than hard suitcases. Sports or casual clothes are more useful. Plenty of swimwear is required and a pullover or cardigan is recommended for cool evenings. Comfortable walking shoes are suggested when ashore.

### Electric Current

Our ship generators provide an electric current of 220 v. Cabins are equipped with European type plugs so please remember to bring an adaptor if necessary.

### Health Requirements

Due to safety reasons it is requested that physical disabilities of any kind be advised at time of reservation. It is understood that passengers requiring special attention or treatment will be travelling with their personal escorts. The company retains the right to refuse to embark any pregnant woman beyond the 6th month of pregnancy.

### Special Dietary Requirements

# THE VARIETY FOUNDATION

## VARIETY GETS INVOLVED

*TO TRAVEL IS TO IMMERSE YOURSELF...*

### WHO WE ARE

*Getting involved with local communities has been a key component of our mission, from the founding of Variety Cruises in 1949 by Diogenis Venetopoulos. Since our inception, we have come a long way – introducing new vessels, developing unique itineraries, and exploring the globe one shore at a time.*

*Now, as we further our mission, we want to go beyond simply visiting destinations. We want to immerse Variety Cruises and our guests geographically, culturally, environmentally, and emotionally in the destinations we visit. Through the work of*

*The Variety Foundation we have supported local projects and organizations, in order to better the lives of communities we visit and further the experiences of our guests. As Variety Cruises' philanthropic work deepens, we recognize the need to build further infrastructure and support for the work we do in local communities through the Variety Foundation.*

*All proceeds from our efforts as part of the foundation will be used to further our mission to further enrich local communities, through cultural and educational initiatives. Variety Gets Involved is a story just beginning, and we look forward to you joining us in our exciting, lifelong adventure.*

### WHAT WE DO

*In Greece we sponsor local artisans and artists who have profound cultural impact. In the Seychelles, we provide support for the local education system, which the local government recognized us for in 2013. Variety also supports the work of and donates to a variety of organizations, such as the Archbishop Makarios Scholarship Fund and the Trevor Project, the leading suicide prevention line for LGBTQ youth in the US and beyond.*

*In 2010, upon the start of our cruise to West Africa in Gambia's village of Lamin Koto, we recognized the lack of educational infrastructure, prompting us to build a school from scratch. A functioning school now exists that proudly serves over 100*

*children. In order to further enrich the lives of residents in Lamin Koto and Gambia, we also started the Kuntaur Film Festival. With children at the forefront of the festival experience, we focus on sharing educational and classical films from all over the globe to expose residents to new cultures and broaden their opportunities.*
